Donate your time, talent or money to the following Projects

Operation Shoebox

Operation Shoebox was founded in 2003 in an effort to send support, snacks and much needed personal care items to our troops deployed outside of the USA. We encourage citizens to support their fighting men and women deployed overseas in these dangerous times. The most frequent response we get from the "boots on the ground" is that receiving mail from the home front is a huge morale boost!

The Wounded Warrior Project

The Wounded Warrior Project seeks to assist those men and women of our armed forces who have been severely injured during the conflicts in Iraq, Afghanistan, and other hot spots around the world. Many of the injuries are traumatic amputations, gunshot wounds, burns and blast injuries that will retire these brave warriors from military service.
